Overview	Blue Cross and Blue Shield of Texas (BCBSTX) administers benefits on behalf of <b>ERS</b> for <b>HealthSelect of Texas</b> <sup>®</sup> and <b>Consumer Directed HealthSelect<sup>sм</sup></b> plans.
	HealthSelect of Texas participants access care through a customized benefit plan utilizing the <b>Blue Essentials<sup>sM</sup> network</b> and serves all 254 counties in Texas.
Benefit Options	The following plan options are available for HealthSelect of Texas and Consumer Directed HealthSelect participants:
•	HealthSelect of Texas - In Area
	<ul> <li>To receive network benefit coverage, participants enrolled in this plan are required to designate a primary care physician/provider (PCP) participating in the Blue Essentials provider network. The designated PCP is required to submit referrals to BCBSTX for network benefits to apply to services rendered by a specialist. If HealthSelect of Texas participants do not have a PCP on file, and have exceeded their grace period, they will receive out-of-network benefits, which may result in higher out-of-pocket costs. Participants may also see non-network providers but will receive a lower rate of benefit coverage.</li> <li>HealthSelect of Texas participants do not need a referral for: <ul> <li>Covered vision care, including routine and diagnostic eye exams</li> <li>OB/GYN visits</li> <li>Mental health counseling</li> <li>Chiropractic visits</li> <li>Occupational therapy and physical therapy</li> <li>Virtual Visits, urgent care centers and convenience care clinics</li> </ul> </li> </ul>
	Consumer Directed HealthSelect (CDHS) - In Area
	<ul> <li>Consumer Directed HealthSelect participants have open access to providers in the HealthSelect Blue Essentials provider network for in-network benefits. This plan does not require PCP designation and does not require referrals for in-network benefits to apply. Participants may also see non network providers but will receive a lower rate of benefit coverage.</li> </ul>

**Benefit Options**, HealthSelect Out-of-State and Consumer Directed HealthSelect Out-of-State cont. Participants utilize traditional Blue Card PPO network benefits. Participants are not required to designate a PCP and this plan does not require referrals for in-network benefits to apply. Participants may also see non-network providers but will receive a lower rate of benefit coverage. HealthSelect Secondary 65+ This plan coordinates with Medicare and participants utilize the PAR Plan network. Participants do not have to designate a PCP, and this plan does not require referrals for in-network benefits to apply. **ERS** Tools For quick links and information regarding ERS and the HealthSelect of Texas and Consumer Directed HealthSelect benefit plans, visit the BCBSTX provider website (www.bcbstx.com/provider) and select ERS Tools under the Education and Reference menu.

# Health CareFor Texas participants, HealthSelect is launching a specialtyCenters offacility designation program called Health Care Centers ofExcellenceExcellence (HCCOE). A facility must meet both quality and cost-<br/>efficiency standards. The program includes designations in the<br/>following areas:

- Bariatric surgery
- Knee and hip replacement
- Maternity care
- Spine surgery
- Transplants.

Out-of-state, participants will utilize Blue Distinction Centers.

**Note**: HealthSelect allows benefits for bariatric surgery only on the In -Area and Out -of -State Plans. In-Area participants on the Blue Essentials network must use a Health Care Center of Excellence. Out-of-State participants must utilize Blue Distinction Centers. For a full list of bariatric requirements, view the most current Master Plan Benefit Document located at https:// healthselect.bcbstx.com. If all plan requirements are not met, there are no benefits available.
